

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

KIMBERLY GRUSNICK, # 433348,

Petitioner,

Case No. 12-CV-11550

v.

HON. MARK A. GOLDSMITH

MILLICENT WARREN,

Respondent.

**ORDER GRANTING PETITIONER'S APPLICATION TO PROCEED IN FORMA  
PAUPERIS (Dkt. 17) and DENYING PETITIONER'S APPLICATION FOR A  
CERTIFICATE OF APPEALABILITY AS MOOT (Dkt. 14)**

This is a habeas case pursuant to 28 U.S.C. § 2254 and filed by Petitioner Kimberly Grusnick, a state prisoner incarcerated at the Huron Valley Complex in Ypsilanti, Michigan. In an order dated August 13, 2013, the Court adopted the July 22, 2013 Report and Recommendation (R&R) of Magistrate Judge Paul J. Komives, dismissed Petitioner's petition, and declined to issue of a certificate of appealability. 8/13/2013 Order (Dkt. 12). Petitioner then filed a notice of appeal (Dkt. 15) and an application to proceed on appeal in forma pauperis (IFP) (Dkt. 17).<sup>1</sup>

Although the Court declined to issue a certificate of appealability, the standard for evaluating an application for leave to proceed IFP is less stringent. A certificate of appealability may only be granted if a petitioner makes a substantial showing of the denial of a constitutional right, but a court can grant IFP status if it finds that an appeal is taken in good faith. Foster v.

---

<sup>1</sup> Although the Court declined to issue a certificate of appealability in its order adopting the R&R, Petitioner also filed an "application for a certificate of appealability" (Dkt. 14). However, under Federal Rule of Appellate Procedure 22, the filing of a notice of appeal constitutes a request for a certificate of appealability to the court of appeals. Fed. R. App. P. 22(b)(2). Therefore, the Court denies Petitioner's application for a certificate of appealability as moot.

Ludwick, 208 F. Supp. 2d 750, 764-765 (E.D. Mich. 2002); 28 U.S.C. § 1915(a)(3). “Good faith” requires a showing that the issues raised are not frivolous; it does not require a showing of probable success on the merits.” Foster, 208 F. Supp.2d at 765. The sole issue presented by Petitioner – that the prosecutor made an inappropriate comment during his closing argument on Petitioner’s silence at her trial – is not frivolous. Therefore, an appeal could be taken in good faith and Petitioner may proceed IFP on appeal.

Accordingly, the Court grants Petitioner’s IFP application (Dkt. 17).

SO ORDERED.

Dated: December 16, 2013  
Flint, Michigan
